Monologue Selections:
Students should select one monologue from their designated age range.
They can choose to either read it or memorize it. We are looking to see their personality shine through. 😊

### Ages 6-7
RANDY: Oh, I just love this time of year, Santa! The chill in the air, the holiday decorations, the cookies. But most of all... the music!

### Ages 8-9 (select one)
- YOUNG ANNA: I love sleeping. Goodnight! They're gone! It's just us! Snowman. Snowman. Snowman!!! But the sky's awake, so I'm awake, so we have to play!
- SEYMOUR: Good afternoon, sir. I'm Seymour S. Snowman, III. I come from a long line of stage performers. As a matter of fact, my great-grandfather was the very first snowman to hoof it on the vaudeville stage.

### Ages 10-13 (select one)
- OLAF: Okay. Let's start this thing over. Hi everyone, I'm Olaf, and I like warm hugs. And who's the funky-looking donkey? Ah-huh. And who's the reindeer? Oh good. They're both Sven. Makes it easier for me. And you're Anna.
- DUKE: [Introducing himself] The Duke of Weselton. Your majesty, as your most profitable trading partner it is about time we meet face to face. And what a wonderful face you have. With some queens, what you get is what you get! But you are a model queen. Might I tempt you with a tango?
- PABBIE: You're lucky she did not strike her heart. A heart is not so easily changed, but a head may be persuaded. We are removing all magic. Even the magic that fills her memories, to be safe.
- MRS. CLAUS: And as I was cleaning out the closet this morning, I found my old dance shoes. They don't fit me anymore, of course, but I thought, "Why not? What's to prevent me?"

### Ages 14-18 (select one)
- MR. D: I told you he was trouble! As soon as he showed up, I said, "Let's turn him into a dolphin!" But noooooo. You wanted to let him in. To teach him. Like THAT'S ever worked! Look, maybe he didn't steal it. He says he doesn't even know what we're talking about, and you can't fake being that stupid, unless you're a brilliant actor, and I'm also the god of drama, so I can tell you: he's not. But as long as Zeus thinks he stole it, we're all gonna suffer. So! We're all agreed -- one dolphin coming up!
- ELSA: May I speak with you alone please, Anna? (Anna declines) ...All right. You can't marry a man you just met. What do you know about true love? You asked me for my blessing, but my answer is no. The party is over. Close the gates.
- KRISTOFF: Hey, aren't you the princess of Arendelle? The name's Kristoff and I'm an ice harvester. I mean, a recently unemployed ice harvester. I wouldn't go that way if I were you... The storm is coming from the North Mountain, which is where I am guessing you will find your sister. And I know how to get up there. Without dying.
- LUKE: Believing doesn't make it easier. Trust me. All your life, you think your dad is some dead-beat, but it turns out, he's a dead-beat god! I get how you feel. I was your age when I found out my dad was Hermes, the messenger god. You know, Old-Wings-on-his-Shoes? I've met him once, and let's just say... we're not going to be playing catch anytime soon. Look, the gods are busy. They have a lot of kids and they don't always care. If you're one of the lucky ones, they'll send a sign to claim you. And if they don't,
Music Selection:

All students will use this music selection as their singing audition regardless of their age or which musical(s) they are auditioning for. 😊

Be sure to show us acting, emotion and character throughout your song!
