

Become a Donor of the Washington Pavilion

Thanks to the generosity of our donors, the Washington Pavilion is able to make art and science part of the daily lives of thousands of people through high quality programming, education and outreach.

We would love to have you join the Washington Pavilion family of donors who make all of our programs possible year after year! Visit our website to learn more about what your contribution supports. To show our sincere appreciation to our donors for all they do, we have added some great new benefits.
