### Behavior Expectations

Students attend Washington Pavilion Summer Camps to explore science, art and the performing arts in a positive, safe environment that promotes learning. To do this, each student must be responsible for his/her own actions and be aware of how his/her actions affect others, including the staff and volunteers.

1. Students must respect other students, volunteers and staff. Any bullying, racism, teasing or otherwise mean behavior is not acceptable. Foul or abusive language and behavior, physical aggression or threat of physical aggression will not be tolerated.
2. Students need to respect the property of others, including that of other students, the Washington Pavilion and visitors to the Washington Pavilion.

Students who choose not to follow the above guidelines after verbal warning will be removed for the day and have their parents/guardian contacted. The participants will be asked to leave the program if the behavior continues to cause a conflict in camp. Refunds will not be issued to those who are asked to leave. Please help us ensure that everyone has a safe, fun experience at camp!

### Late Pick-Up Policy

If parents realize that circumstances beyond their control are going to delay pick-up, please contact the Box Office at (605) 367-6000. If you are more than 10 minutes late to pick up your child, a late fee of \$1/minute will be charged.

### Cell Phones

We encourage students to leave their technology devices at home. We work to cultivate hands-on participation in each and every camp program, and student engagement in personal technology devices can take away from that. Thank you for your support in this effort!

### Snacks

Snacks are not provided, but campers are welcome to bring a peanut-free snack to eat during camp. Please ensure your child has a hearty breakfast/lunch before they come to camp.

### Other Notes

Many camps do activities outside in the Pavilion's lawn and amphitheater. If your child requires sunscreen when outside for short periods of time, please apply sunscreen prior to camp arrival.

Many camps plan to visit other locations in the downtown area (i.e. Sculpture Walk, etc.). If your child's camp plans to leave the Pavilion grounds, you will be informed of the time they will be gone and the locations they will visit.

Children must be fully toilet trained and able to use the restroom independently to attend camp.
