Family Fun Times | Ages 3+

Between soccer practice and dance recitals, quality time can be hard to find. Spend your next family fun day together at the Washington Pavilion. Come create memories while exploring art and science with the entire family! Children must be accompanied by an adult enrolled in the workshop.

Cost: $7.20/$8 per person

November 11 | 10 a.m.-12 p.m.
Family Fun Times: Engineering Design – Recyclable Racecar Contest
Come spend quality time with the entire family by creating racecars as a team. Whose car will win?

December 9 | 10 a.m.-12 p.m.
Family Fun Times: Clay Exploration
Create clay art together as a family. Share your creations as gifts or keep them as mementos.

Adults and Teens

Wine on the Wheel
(Adults age 21+ only)
2-Week Session Cost: $49.50/$55

- September 14 & 21 | 7-9 p.m.
- October 12 & 19 | 7-9 p.m.
- November 9 & 16 | 7-9 p.m.
- December 14 & 21 | 7-9 p.m.

Each session is held on 2 consecutive Thursday evenings.

Join us for grown-up play time! All skill levels are welcome in this clay workshop designed for those who need to unwind and play in the mud. Clay hand building and wheel instruction included. We will supply wine, beer, non-alcoholic beverages, clay and glazes. In this two-part course you create your pottery on day one, then return the following Thursday to glaze and have the opportunity to create another piece.

Private events are available as well! Inquire at CLC@washingtonpavilion.org.

Coffee and Clay
(Teens and Adults)
Cost: $12.60/$14

- October 21 | 10 a.m.-12 p.m.
- November 18 | 10 a.m.-12 p.m.
- December 16 | 10 a.m.-12 p.m.

Why should kids be the only ones who get to have creative fun? Come enjoy the calm studio and some hot coffee while you make your own work of clay art.

Bring your children to a Spectacular Saturday class and attend one of your own – everyone can have creative fun!
Toddler Art

Ages 1-3 (with adult)

The Toddler Art Series allows adults and toddlers to explore the fundamentals of art together.

Saturdays | Cost: $36/$40

October 14, 21, 28 | 10-10:45 a.m.
Toddler Art: Crazy for Color
In this session, our caring art professional will introduce toddlers to the fascinating world of color through art and activities designed for parents and toddlers to complete together. By the end of this three-week session, your toddler will be a little Picasso!

November 4, 11, 18 | 10-10:45 a.m.
Toddler Art: Exploring Opposites
Guided by a caring art professional, toddlers will be introduced to textures, shapes and colors while making original works. Families will explore the basic principles of opposites through fun art projects.

December 2, 9, 16 | 10-10:45 a.m.
Toddler Art: Cars, Planes and Trains
Vrooom…rev your engines! Transportation is all around, and toddlers will race into the world through hands-on art activities inspired by the machines that move us.

Toddlers will be fascinated by vibrant colors, bowling balls, and other exciting materials! Each week, the children will create their own masterpiece in celebration of the holiday season.

Spectacular Saturdays

Preschool workshops are interdisciplinary and allow time for play at specialized centers as well as structured group activities with a focus on the theme. The preschool workshops are an independent participation program. To be most successful at drop-off transition we recommend that students have participated in a previous drop-off program. If you are looking for an opportunity to work with your child in the classroom, please consider the fun toddler art classes!

Cost: $12.60/$14

October 14 | 10 a.m.-12 p.m.
Preschool: Crazy Concoctions
Let’s get messy! Art and science come together as we create colorful bubbles and make slime using products found in our homes.

October 21 | 10 a.m.-12 p.m.
Preschool: Camp Neverland
“X” marks the spot! We’ll morph into pirates and go on an adventure as we walk the plank, make spy glasses from recycled materials and create treasure maps to find our plunder.

October 28 | 10 a.m.-12 p.m.
Preschool: Art with a Heart
Create what your heart desires! We will use different art materials to explore our creative side and learn how art can help us explore and express feelings.

November 4 | 10 a.m.-12 p.m.
Preschool: Space Cadets
To infinity and beyond! Join us for an intergalactic adventure. We’ll explore planets, create rockets to blast off into space and visit the science center to see the stars.

November 18 | 10 a.m.-12 p.m.
Preschool: Whiz Kids
Grab your goggles and lab coat; we are on a scientific discovery mission! Explore the world of science through everyday objects such as toys, food and nature. There will be some explosions, a few creations and a whole lot of discoveries. Don’t miss out on this mission!

December 2 | 10 a.m.-12 p.m.
Preschool: Passport to Adventure
Pack your suitcase – we are going on an adventure! Learn about art from different countries and make creations in honor of these artistic styles. Practice songs and dances from many nations to see how kids around the world get out their wiggles! From maps to monkeys, you will spend the day learning about our wonderful world.

December 16 | 10 a.m.-12 p.m.
Preschool: Small Hands, BIG Art
Artwork can be big or small, short or tall. Work with your friends to create art that is larger than life. This class is sure to be colorful, creative and GRAND!

---

**Homeschool Art note:** To offer a more differentiated learning experience for students, we plan to offer separate classes for 6-9 year olds and 10-14 year olds. At the end of each class series, students will get to invite family and friends to a special gallery exhibition which will showcase each student’s work! During these exhibitions, everyone will have a chance to see the projects completed throughout the course and will have an opportunity to take a tour of the classroom spaces to view the tools and materials the students are using to learn! Each student will also receive a certificate of completion at the end of each course to document the time they have spent engaged in content in the Washington Pavilion Homeschool Art series.

---

**Homeschool Science note:** At the end of each class, family members and friends will be welcomed to view a short science demo presented by the students! This is sure to be a day of fun!
