First Lutheran Church

Dear Sidewalk Arts Festival Vendors,

Because of safety issues with vendor trailers and large vehicles, as well as our need to have control of our lots for church activities and possible funerals, First Lutheran Church **WILL NOT ALLOW ANY VENDOR** to park in our main church parking lot west of Dakota Avenue for the Sidewalk Arts Festival. Any vehicles or trailers that are in the lot when the parking lot is opened **WILL BE TOWED**. No exceptions to this policy will be granted and no notice will be given prior to towing.

Volunteers will be directing visitor parking so that an adequate number of spaces are available for our congregation's activities that day. We are sorry for any inconvenience and thank you for understanding.
