

Labs

Enhance your art or science experience!

STEM and Art Labs are perfect for busy classrooms and learners. We can bring a hands-on, educational lab to your school – Pavilion On-the-Go! Available for classroom size groups or larger groups with multiple sessions per day.

Contact education@washingtonpavilion.org for more info.

Sioux Falls Metro Area

\$7.50 per student

*Minimum of 10 students to book

45-60 minutes depending on age group

Please select the Art Lab and/or STEM Lab your group is registering for.

Art Labs

- Paint It: Watercolor (K-5th Grade)**
Students will learn a variety of tips, tricks and techniques for working with watercolor, then put them into practice while creating their own watercolor masterpiece.
- Design It: Printmaking (K-5th Grade)**
Explore the printmaking process through a variety of techniques and make a series of prints.
- Sculpt It: Mixed Media (K-5th Grade)**
Sketch your design, choose your materials, then take your design from a 2D image to a 3D sculpture.
Complexity of pieces will be catered to the age and skill level of each group.

STEM Labs

- Explore It: Physics (K-5th Grade)**
Learn about the forces of gravity, friction, momentum and magnetism and how they affect how objects move.
- Code It: Ozobots (K-5th Grade)**
This lab combines creativity and coding to make a whole lot of fun! Using Ozobot robots and several coding methods, students will learn how to create codes that control Ozobot's every move.
- Build It: Contraptions (K-5th Grade)**
Contraptions are simple machines designed to make work easier. Use the Engineering Design Process to plan and construct a contraption that will complete a designated task.
